

REMARKS

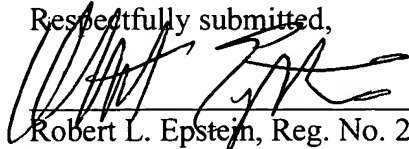

Claims 1, 2, 4 and 9 are cancelled.

Claims 7 and 8, indicated as allowable if the rejection under 35 USC §112, second paragraph, is overcome, each have been amended to include the limitations of cancelled claim 1 and revised to avoid the 35 USC §112 rejection.

Claims 7 and 8 no longer require that the mechanism be a closed form structure and include the elevator and secondary crusher. Those claims now require that, in closed form structure, the body include a plurality of sections arranged for storing aggregate material of different gradation levels.

Applicant notes that a certified copy of the priority documents has not been received. Same will be provided under separate cover as soon as possible.

Respectfully submitted,

Robert L. Epstein, Reg. No. 26451
